Leclerc on his first win in Formula Regional

Excellent start without problems for the Monegasque, who rams fast laps and wins his first victory in front of Petecof and Rasmussen

Race 2 is also very hard fought, but without exits and with all the drivers in the race to the finish line. Arthur Leclerc (Prema Powerteam and Ferrari Driver Academy driver) wins his first victory in the Formula Regional European Championship certified by FIA. The Monegasque driver is practically never worried by teammate Gianluca Petecof and by third at the finish and race 1 winner Oliver Rasmussen.

Behind the podium Pasma, Lappalainen, Chadwick, who does not get a good result but fights with her teeth to resist the attacks of Pasma, Chover and Lappalainen, before having to give way.

Arthur Leclerc: "I am very happy. Certainly, compared to race 1 I changed my approach at the start, and I have to have a greater vision of the whole situation and not just be focused on me, I have to work on it "

Gianluca Petecof "I was never fast enough to reach Arthur and when I scored my fastest laps it was late and probably my teammate was not pushing hard thanks to the gap created. We must work to find more speed!"

Tomorrow race 3 will start at 10.50 with live images on motorsport.tv, MS Motor TV (Sky channel 218) and live streaming on the acisport.it website and on the Facebook page of the championship.
