

Formula3 Regional Europe - Leclerc already the fastest

Arthur Leclerc (Prema Powerteam and FDA driver) does not disappoint with a paw in the last minutes which gives him the best time with 1'30.269, with teammate Gianluca Petecof just behind, leader for almost the whole session and only 60 thousandths behind. Third Juri Vips (KIC Motorsport and driver of the Red Bull Junior Team), also very close to the poleman, with 1'30.350. Jamie Chadwick (1'30.

930, Prema Powerteam) closes the classification of drivers under 1'30.000

In the second session again Leclerc (1'29789) is first, but at just 34 thousandths Vips seems to re-propose the F1 clash between Ferrari and Red Bull, while Petecof loses something at 116 thousandths.

Leclerc also conquers race 3 pole with 1'29.909 as his second best time, with only 10 thousandths of advantage over Petecof.

Tomorrow race 1 will take place in the afternoon starting from 1.40 pm with live coverage on motorsport.tv, MS Motor TV (Sky 218 channel) and live streaming on the acisport.it website and on the Facebook page of the championship.
